

The International Student Services Office (ISSO) will provide airport pickup for new international students who register with the ISSO for the service. **Students who fail to register for the airport pickup service by the deadline will be responsible for their own transportation to Commerce.**

The shuttle will only be available for students arriving at the Dallas/ Fort Worth airport from Monday, January 11 through Wednesday, January 13, 2010. The deadline to register for the shuttle service is 12:00 midnight (CST U.S.) on Tuesday, January 5, 2010.

Pickup times:

Due to the potential number of students, the ISSO may only schedule shuttle pickups at certain times of the day (example: 11:00am and 8:00pm) so it may be necessary for you to wait at the airport for some time before the shuttle arrives. Registrants will be contacted in advance of the scheduled times and locations for the shuttle service.

Pickup locations:

In most cases, the driver will meet students outside the baggage claim area of the arrival terminal. You will receive an email confirming your arrival information and pickup location prior to your departure.

Drop-off and Housing arrangements in Commerce:
