

eLearning Support Calendar

Two eLearning support personnel will be rotating through each of the colleges weekly per the schedule below, as well as, being available in our office suite AG/IT 221/222. Support is not limited to eCollege support but encompasses any technology related support you might need assistance with. Additionally, you are **not** limited to only those times when one of the specialists is in your college, you may travel to any one of the other colleges or meet with them in our office suite AG/IT 221/222.
